Dear Valued Patient

Thank you for trusting us to look after your oral health care needs. We consider it a privilege to care for you and we always work hard to maintain your trust and confidence. Part of maintaining your trust means ensuring you know about our practice and how we utilize and safeguard your personal health information.

A little bit about our practice

At Dangstorp Dental, all clinical dentistry services are performed by dental professionals in good standing with College of Dental Surgeons of Saskatchewan. We partner with Dentalcorp Health Services to provide administrative and clinical support services to our patients – allowing our dental professionals to focus on your oral health care needs. All clinical support services are provided under the clinical supervision and control of dental professionals.

Dangstorp Dental and Dentalcorp Health Services are two separate business entities, each providing different services to you (clinical dentistry by one, and administrative and clinical support by the other). For ease of administration and payment, we may give you a single, joint invoice. We want you to know that one or more dental professionals at Dangstorp Dental may have a financial interest in Dentalcorp Health Services. This type of business structure is common within the dental profession. We just thought you should know.

Attached you will find our office’s privacy policy. By signing, you acknowledge that you have read and understood the information provided in the policy and that you consent to the practices it describes. Feel free to ask us any questions you might have.

Thank you very much for the privilege of assisting you with your oral health care needs. We look forward to caring for your smile.
